Promoting Conservation of the World's Biological Diversity

A consortium of the World Wildlife Fund, The Nature Conservancy, and The World Resources Institute

[Boston University Center for Ecology and Conservation Biology](#)

[Boston University Center for Energy and Environmental Studies](#)

[Brookings Institution - Environment and Energy](#)

[California Department of Water Resources \(DWR\)](#)

Includes News Releases ; DWR Monthly Reports ; Water Conditions ; Water Calendar

[California Energy Commission](#)

[California Environmental Protection Agency](#)

[Canada - Natural Resources Canada](#)

[Center for a New American Dream](#)

"...helps individuals and institutions reduce and shift consumption to enhance our quality of life and protect the environment."

[Center for Communications, Health and the Environment](#)

[Center for Environmental Philosophy](#)

[Center for Global and Regional Environmental Research \(CGRER\)](#)

[Center for International Earth Science Information Network \(CIESIN\)](#)

Columbia University

[Center for International Environmental Law \(CIEL\)](#)

"...is a public interest, not-for-profit environmental law firm founded in 1989 to strengthen international and comparative environmental law and policy around the world."

[Center for Restoration Ecology](#)

[Central American Water Resource Management Network](#) (CARA) (English or Spanish)

"CARA is a water resource training network focusing on building local capacity to improve the management and protection of Central American water resources."

[Centre for Environmental History and Policy](#)

Universities of Stirling and St Andrews

"...the UK's first research centre expressly concerned with understanding the relationship between the environment and the human population over the last millennium, and applying this historical research to contemporary issues in environmental policy-making."

[Centre for Social and Economic Research on the Global Environment \(cserge\)](#)

[Centre of Environmental Research in Umeå, Sweden](#)

Sections include: Environmental History ; The Environment ; Indoor Environment ; Environmental Medicine ; Society and the Environment.

Cliff Ecology Research Group - (dead link) Botany Department, University of Guelph, Ontario

[Environmental and Engineering Geophysical Society \(EEGS\)](#)

[Environmental Defense](#)

"Since 1967, we have linked science, economics and law to create innovative, equitable and cost-effective solutions to society's most urgent environmental problems."

Sections include: Action Center ; Biodiversity ; Climate Change ; Health ; Oceans ; Library.

[Environmental Education and Training Partnership \(EETAP\)](#)

[Environmental Science and Policy](#)

[Environmental Studies Association of Canada](#)

[Environmental Working Group](#)

[European Environment Agency](#)

Sections include: Press Room ; Theses (reports, indicators, links and datasets) ; Search ; Services ; EEA ; Country Information and EIONET.

[European Society for Environmental History](#)

Exxon Valdez Oil Spill Trustee Council - (dead link)

[Forest Ethics](#)

Formerly the Coastal Rainforest Coalition

"Forest Ethics' efforts are aimed at creating pressure for the preservation of forests, the reform of forestry practices and the promotion of robust markets for ecologically sound alternatives."

Forest History Society - (dead link)

[FREE - Foundation for Research on Economics & the Environment](#)

"...advances conservation and environmental values by applying modern science and America's founding ideals to policy debates. We are intellectual entrepreneurs, explaining how economic incentives, secure property rights, and responsible prosperity can foster a healthy environment."

[Global Development Research Center](#)

"Spheres" include: Environment ; Urban ; Community ; Economy ; Information.

[Global Environment Centre Foundation](#) (English or Japanese)

"Supporting to UNEP-IETC's activities and promoting partnership between developing countries and Japan for global environmental preservation."

[Global Forest Watch](#)

"...an international data and mapping network that combines on-the-ground knowledge with digital technology to provide accurate information about the world's forests."

[GREENTIE](#)

Greenhouse Gas Technology Information Exchange

"...is an international Directory of suppliers whose technologies help to reduce greenhouse gas emissions. GREENTIE also provides information on leading international organisations and IEA programmes whose RD&D and information activities centre around clean energy technologies. The GREENTIE Directory database contains details of almost 8,000 technology suppliers and information organisations from all over the world."

[Harvard Medical School - Center for Health and the Global Environment](#)
